Cornhusker Marriott, Lincoln, Nebraska**

January 27, 2006

To: Science, Technology, Engineering, and Math Faculty, Graduate Students,
College/University Administrators, and Nebraska Businesses.

From: F. Fred Choobineh, Director, Nebraska EPSCoR

Re: Request for Participation

Deadline: March 17, 2006

Nebraska EPSCoR is sponsoring the second annual **Nebraska Research Expo** to provide academic and business researchers the opportunity to showcase their research, to hear distinguished speakers, and to exchange ideas. You are invited to present a poster or display. Conference poster presentations are intended to encourage participation and interaction among students, faculty, and business people in science, technology, engineering, and mathematics. In addition, high tech businesses or research centers wishing to have displays at the Expo are welcome to participate.

Participation:

Any Nebraska faculty member, university graduate student, or Nebraska business involved in science, technology, engineering, or mathematics research is eligible to give a poster presentation. Posters of up to **4x4** can be accommodated. **First authors** must provide names of all co-authors in addition to a poster title and abstract of approximately 100-150 words on the on-line registration form.

Nebraska high tech businesses and university research centers are encouraged to have displays highlighting the scope of their research and development activities; if you choose to have a display, please indicate that you wish to do so when you register online.

Registration:

Online registration will be available in February 2006 at <http://epscor.unl.edu/events/researchexpo.shtml>. It is anticipated that Nebraska EPSCoR will be able to accommodate all businesses and individuals who want to participate. Registration is free but required to attend. The registration deadline is **March 17, 2006**.

The **Nebraska Research Expo** will be held at the Cornhusker Marriott in Lincoln on **March 29, 2006**. You are also invited to register for the **Nebraska Innovation Forum** at the Cornhusker Marriott on **March 30, 2006**. Information about both events is available at the above web address. If you have questions you may reach the Nebraska EPSCoR office by phone at 402-472-8946 or by e-mail at epscor@unl.edu.
